

Petition and Presentation of Potential New SGA Members Policy

SGA Policy # 16

When a student wishes to become a member of the Student Government Association, they must fulfill the obligations as outlined in SGA Policy # 28, Member Charter Process. At the meeting that they are to be elected into the Student Government as a member, they must give a brief presentation stating who they are, what their degree is, and why they want to be a member of the Student Government Association.

Reasoning:

When becoming a member of the Student Government Association, it is important that the person applying to be a member is properly introduced to the current membership.
