
RECM 450 Bachelor Degree Internship Program Student Learning Outcomes & Objectives and Activities

Internship Student Learning Outcomes RECM 450:

- Demonstrate/develop competency in applied mathematics.
- Demonstrate competency in written and oral communications.
- Demonstrate/develop leadership ability by supervising assigned tasks and projects.
- Demonstrate self-direction and initiative in performing assigned duties.
- Demonstrate/develop strong work ethic by working additional time or outside typical working hours as needed.

Internship Objectives and Activities Instructions:

1. Please review the outcomes above with the Faculty Supervisor.
2. **In a new document**, list objectives of your internship and the specific activities to be completed. Indicate approximate amount of time to be devoted to each activity. Be as specific as possible. (The Faculty Supervisor will provide guidance in initial preparation of this section with input from the Site Supervisor.)
3. Once completed and approved by your faculty supervisor, please attach **this form AND your typed document** (Word or PDF document required) to the Internship Learning Agreement (ILA). *Please do not attach and submit this document until everyone agrees to the objectives and activities you've provided.*
