

Transfer Articulation Agreement
between
STATE UNIVERSITY OF NEW YORK
COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL
and
SUSSEX COUNTY COMMUNITY COLLEGE

December 2019

This agreement establishes procedures to promote the easy transition of qualified associate degree graduates from Sussex County Community College (SCCC) to the Bachelor of Technology (B. T.) degree programs in Agricultural Business Management and in Plant Sciences at State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified SCCC graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in an upper-division program.
3. To attract qualified students to SCCC and SUNY Cobleskill.
4. To facilitate the exchange of information between faculty and administrators in order to improve both programs and streamline the transfer process.

Terms of the Agreement

1. Students from SCCC, who complete the A.A.S. degree in Agricultural Business and the courses outlined in Addendum A, or those with an A.S. degree in Horticultural Sciences and the courses outlined in Addendum B, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the corresponding BT program with the minimum number of credits as specified in the addenda.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 15 for spring semester entry, and prior to May 15 for fall semester entry.
3. Courses with grades of C- or better will be accepted for transfer credit. Courses with grades of D+ or D, may be accepted for credit.
4. Students who do not meet the requirements of this agreement may also be considered for admission. They will be evaluated on an individual basis.
5. Students who are admitted to SUNY Cobleskill with a specific number of credits will not lose those credits for any reason thereafter unless agreed upon by the Student and SUNY Cobleskill.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

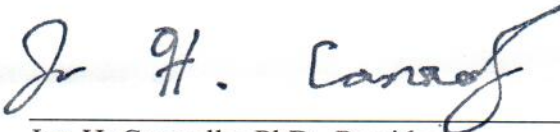

This agreement shall remain in force from the date on which it is signed, in December 2019, until such time as either institution elects to terminate it upon sixty (60) days written notice. Termination by either institution will be announced in a manner to provide students with sufficient time to assure any students enrolled at SCCC the opportunity to be admitted to SUNY Cobleskill under its terms. Further, the parties agree to honor the terms of this agreement relative to any students who have or had been accepted to SUNY Cobleskill prior to the date of the termination of the agreement through the date the student either graduates or withdraws from SUNY Cobleskill.

Effective Date and Signatures

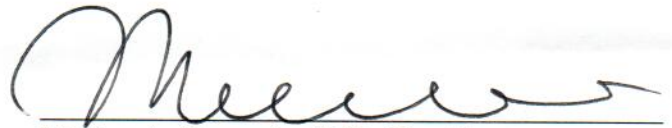

This agreement will become effective December 2019, upon acceptance of Agreement with appropriate signatures.
