Notes for The College of Saint Rose & SUNY Cobleskill Early Childhood Education Agreement:

1. Use 3 of the "Trustees' General Education Core Requirement" credits to take ENGL 111 Public Speaking. This course transfers into Saint Rose as ENG 103 Oral Communication, a required course.
2. Use 3 "Trustees' General Education Core Requirement" credits to take ECHD 145 American Sign Language I. 3 credits of General Electives may be used to take ECHD 146 Sign Language II. These courses will fulfill the L02: Study of Language liberal education requirement at Saint Rose. (ECHD 145 and 146 are only suggested courses. Students may elect to take a sequence of any foreign language they choose).
3. Students should use 3 credits of general electives to take a course that fulfill Saint Rose's liberal education requirements. For example, students may take an economics or political science course to fulfill L10: Behavioral and Social Sciences 1.
4. Students should use 3 "Trustees' General Education Core Requirement" credits to take a course that fulfills Saint Rose's liberal education requirements. For example, students may take PSYC 111 General Psychology to fulfill L11: Behavioral and Social Sciences 2.
5. Students who receive these 5 credits toward student teaching will register for ECE 492 (5 credits) rather than ECE 490 (10 credits) at Saint Rose. Beyond the 175 hours minimum, ECHD 232 or ECHD 2333 and ECHD 23.4 also contain 25 pre-student teaching field hours. Upon the completion of their A.A.S. Early Childhood degree, students will have exceeded the minimum 175 hours required for the five credits of student teaching.
6. Credits for ECHD 240 Aspects of Family Health are applied as General Elective credit. ECHD 280 Children with Special Needs transfers in as SED 146 Individuals w/Disabilities & Exceptionalities School/Community. ECHD 240 will fulfill EPY 337 Substance Abuse Education and EDU 106 HIV/AIDS, Communicable Disease & Safety ED requirements, although no credit will be awarded for these. The waiving of the Child Abuse Education Requirement is contingent upon SUNY Cobleskill issuing a State Education Department approved "Certificate of Completion" for "Coursework/Training in Identification and Reporting of Child Abuse and Maltreatment" to the student upon completion of ECHD 280.
7. The maximum number of transfer credits allowed is 62.
