

**Transfer Articulation Agreement  
between  
STATE UNIVERSITY OF NEW YORK AT COBLESKILL  
and  
SUFFOLK COUNTY COMMUNITY COLLEGE**

*October 2011*

This formal articulation agreement between Suffolk County Community College and State University of New York College at Cobleskill is intended to facilitate the process of transfer from Suffolk County Community College to SUNY Cobleskill.

Specifically, this agreement is intended for students at Suffolk County Community College who want to transfer into Histotechnology at SUNY Cobleskill.

Terms of the Agreement

Students from Suffolk County Community College, who complete the pre-requisites as specified in Addendum A, with a minimum overall grade point average of 2.5 for the first year of study, will be guaranteed acceptance to SUNY Cobleskill as a second year student.

This guarantee provides the opportunity to complete the SUNY Cobleskill Associate in Applied Science degree in Histotechnology, normally requiring no more than one year of academic work at Cobleskill, including a summer clinical rotation at one of our affiliate sites.

Courses with grades of C or better will be accepted for transfer credit. Courses with C- or D+ may be accepted for elective credit only.

Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This joint agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from the date on which it is signed until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

Effective Date and Signatures

This agreement will become effective October 2011, upon acceptance of Agreement with appropriate signatures.
