

## DOWNLOAD YOUR PREMIER LITERACY SOFTWARE

(For Faculty, Staff and Students — Home Use Only)

Thank you for participating in our training session. As part of your participation, we are also providing you with the ability to download your very own fully-functional versions of the Premier Literacy applications for your use on your own personal computer. You are being granted access to retrieve these applications from a special account set up for you from our *Premier AT Home* service. **We suggest you download the applications of your choice within 30 days of your training session.** Please take advantage of this service made available to you by your institution. Contact us if you would like additional information or if you have any questions.

Go to website: [www.premierathome.com](http://www.premierathome.com)

**Username:** SUNYCoble

**Password:** access

30-Day product downloads are for your individual evaluation use only and may not be distributed otherwise without proper licensing. (See reverse side for login instructions).

### **SYSTEM REQUIREMENTS**

Before you download and use Premier Literacy's tools, you will want to make sure your home computer meets the following minimum system requirements. If your system meets these requirements and you have any issues once you download and install the software, be sure to contact Premier Literacy Technical Support at 815-927-7390, Option 2.

For PC: Microsoft Windows XP, Vista, Windows 7; 1GB of RAM recommended; 600 MB of free disk space  
For Mac: Mac OS X v10.7-10.8\* (Mountain Lion); 2GB of RAM; 3GB of hard drive space  
Mouse, Keyboard, Speakers  
SVGA Monitor with a minimum 800x600 DPI resolution

A scanner is only a requirement if you wish to convert hardcopy documents (i.e. books, magazines, letters) into digital text. Premier Literacy's scanning features support virtually all flatbed USB and multi-function scanning units.

## LOGIN INSTRUCTIONS

You can go to [www.premierathome.com](http://www.premierathome.com) and download and install as many products as you need. The only limitation is that these programs can only be installed on your own personal computer during this 30-Day period.

1. Go to [www.premierathome.com](http://www.premierathome.com). Once you get to the site, you will see a Log In screen.
2. Type in the Username and Password (*provided to you on front side of this document*) and then click on the Log In button.

(Note: The Username and Password are case sensitive, so you must correctly enter all numbers and upper-case and lower-case letters exactly. When your login is successful, you will be at the Home page).

## DOWNLOAD AND INSTALLATION INSTRUCTIONS

1. Select the tool you want to download and install by clicking on its name or icon. *We recommend downloading the bundled Literacy Productivity Pack as it contains 12 of our most popular tools in a single download.*
2. A window similar to the following will be displayed. Make sure you select the **Save** button. This will prompt you where you want to save the setup file on your personal computer. Make sure you make a note of the name and location where you save the file.

3. Once the file has been downloaded, go to the location where you saved the file. Double-click on the filename to launch the installation program\*. Follow the prompts during the installation to successfully install the tool.

**\*ATTENTION VISTA AND WINDOWS 7 USERS – WHEN INSTALLING THIS ON A COMPUTER RUNNING WINDOWS VISTA OR WINDOWS 7 – YOU MUST RIGHT CLICK ON THE FILE AND SELECT “RUN AS ADMINISTRATOR” INSTEAD OF DOUBLE-CLICKING ON THE FILENAME.**
