Transfer Articulation Agreement  
between  
STATE UNIVERSITY OF NEW YORK AT COBLESKILL  
and  
JEFFERSON COMMUNITY COLLEGE  

August 2007  

This agreement establishes procedures to promote the easy transition of qualified transfer students from JEFFERSON COMMUNITY COLLEGE to the Agricultural Biotechnology Bachelor of Science Degree program at SUNY COBLESKILL.

Objectives of the Agreement  

1. To promote the easy transition of qualified students from JEFFERSON COMMUNITY COLLEGE into this upper-degree program at SUNY COBLESKILL.

2. To provide a transfer path and specific information to transfer students who wish to pursue baccalaureate degrees.

3. To attract qualified students to JEFFERSON COMMUNITY COLLEGE and SUNY COBLESKILL.

4. To exchange information on success and failures of the transfer program in order to improve it.

Terms of the Agreement  

1. Students from JEFFERSON COMMUNITY COLLEGE, who complete the appropriate associate degree program and the courses outlined in Addendum A, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the Agricultural Biotechnology Bachelor of Science Degree at SUNY COBLESKILL with full junior status.

2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY COBLESKILL prior to November 1 for spring semester entry, and prior to March 1 for fall semester entry.

3. Courses with grades of C or better will be accepted for transfer credit. Courses with grades of C- or D+ may be accepted for elective credit only.

4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.
Review and Revision of the Agreement

This joint agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from the date on which it is signed until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

Effective Date and Signatures

This agreement will become effective August 2007, upon acceptance of Agreement with appropriate signatures.

**TOTAL CREDITS TRANSFERRED**.............................................................. 70

*Satisfies a SUNY General Education requirement - Nine SUNY General Education requirements will be completed.

* * * *

To satisfy the graduation requirements for the BS degree in Agricultural Biotechnology, the following credit requirements would need to be completed at SUNY Cobleskill:

- **Major Field Requirements** .......................................................... 21
- **Specialized Electives** ............................................................... 12
- **Liberal Arts & Sciences Requirements** ....................................... 9
- **General Electives** ...................................................................... 14

**TOTAL CREDITS REQUIRED** ................................................................ 56

JCC 07/07
62 credits need to be satisfied at SUNY Cobleskill in the following categories:

**Major Field Requirements:** 21 credits (25 credits transferred) including:

- BIOL 364  Biotechnology w/lab  4 credits
- BIOL 375  Cell Biology w/lab  4 credits
- BIOL 405  Theory & Methods in AgBiotechnology w/lab  4 credits
- BIOL 410  Molecular Genetics  3 credits
- BIOL 480  Theory & Methods in AgBiotechnology  6 credits

**Specialization Electives:** 12 credits w/ 3 credits 300 & 400 level:

Prefixes will include AGSC, AGRN, ANSC, ORHT, FWLD, RECM.

**Liberal Arts & Sciences:** 9 credits (25 credits transferred) including:

- COMM 301  Technical Writing  3 credits
- Course to satisfy Other World Civilizations SUNY Gen. Ed.  3 credits
- PHIL 305  Ethics in Science (higher recommended)  3 credits

**General Electives:** 14 credits (20 credits transferred)

In the agreement addendum, nine of the ten required SUNY General Education areas were satisfied. Courses in the following areas will need to be completed within the above Liberal Arts & Sciences or General Electives categories:

Other World Civilizations  3 credits
