ARTICULATION AGREEMENT

BETWEEN

PAUL SMITH’S COLLEGE
Fisheries and Wildlife Sciences, B.S.

AND

SUNY COBLESKILL
Fisheries and Wildlife Technology, A.A.S.

I. Introduction

This agreement establishes procedures to ensure admission of qualified transfer students from SUNY Cobleskill into Paul Smith’s College. Students are expected to follow application procedures as outlined in the current catalog of Paul Smith’s College.

II. Objectives of the Agreement

1. To attract qualified students to Paul Smith’s College and to SUNY Cobleskill.

2. To promote efficient transfer of qualified graduates from SUNY Cobleskill to Paul Smith’s College.

3. To provide specific information to students who wish to pursue a baccalaureate degree in Fisheries and Wildlife Sciences.

4. To facilitate communication and academic coordination between faculty, students, and administrators at each institution.

III. Terms of the Agreement

1. Students from SUNY Cobleskill completing the degree listed above who

   a. meet a minimum cumulative grade point average of 2.0 on a 4.0 scale for all completed college level courses at SUNY Cobleskill

   b. fulfill requirements as indicated on the attached plan sheet

   c. receive a 2.0 (C) or above grade in all required courses transferred into the program will be accepted into the B.S. program in Fisheries and Wildlife Sciences.

2. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.
3. Both Paul Smith's College and SUNY Cobleskill agree to encourage qualified students to participate by providing information and assistance to prospective transfer students.

IV. Period of Agreement

This agreement will become effective immediately and shall be reviewed every two years, or when substantive changes are made in the curriculum on either campus. Both Paul Smith's College and SUNY Cobleskill reserve the right to withdraw from the agreement by submitting written notice of intent at least four (4) months prior to the start of the academic year.

Total Credits Transferred: 66-67 credits

To obtain the Fisheries and Wildlife Sciences B.S. degree, a student must complete at least 120 credits.

The Paul Smith's College requirements for the Fisheries and Wildlife Sciences, B.S. degree include, (credits completed at SUNY Cobleskill in parentheses):

26-27 credits in the college core courses (completed: 25-26 credits).
47 credits in program requirement courses (24 credits completed).
18-21 credits in concentration requirements (0 credits completed).
12-18 credits in concentration electives (0 credits completed).
15-17 credits in general electives (completed: 17 credits).

All 100-200 level requirements have been satisfied, except for: a physics course and a technical communications course. The SUNY Cobleskill Fisheries and Wildlife Technology, A.A.S. student can complete these requirements at Paul Smith's College and still begin his/her Paul Smith's College career at full junior status.

During the student’s junior and senior years at Paul Smith's College, the student can expect to take 23 credits in program requirements, (including a physics course and a technical communications course,) 18-21 credits in concentration requirements, and 12-18 credits in concentration electives, with a minimum of 54 credits total. The total number of credits required at Paul Smith's College will be 54-62 credits.

Furthermore, a minimum of 60 credits shall be in the liberal arts and sciences, and 45 credits must be at the 300-400 upper division level. The SUNY Cobleskill student enters Paul Smith's College with 47-48 credits toward the liberal arts and science requirement.
