ARTICULATION AGREEMENT
BETWEEN
STATE UNIVERSITY OF NEW YORK, COLLEGE AT ONEONTA
AND
STATE UNIVERSITY OF NEW YORK AT COBLESKILL
LIBERAL ARTS AND SCIENCES: SCIENCE CONCENTRATION (AS)
ARTICULATED TO
BIOLOGY (BS)

This statement of purpose and procedures is intended to facilitate the transition of graduates of an associate degree program at SUNY Cobleskill to the baccalaureate degree program at SUNY Oneonta. The College at Oneonta recognizes particular responsibility to students from its surrounding region as well as from the rest of New York State to insure a smooth transition from a two-year institution. The College at Oneonta has made a strong commitment to help transfer students maximize their opportunities.

AGREEMENT

1. SUNY Cobleskill students who have graduated or who will graduate with an AS in Liberal Arts and Sciences: Science concentration, who apply in a timely manner and meet the current admission criteria, will be admitted to the BS degree program in Biology upon application as matriculated students with junior status at the College at Oneonta.

2. There is a 66-credit limit on the number of eligible transfer credit granted. Further information on the College at Oneonta’s transfer credit policy can be found on our website, www.oneonta.edu.

3. Students completing the course of study put forth will complete ten of the twelve College at Oneonta General Education requirements.

4. The courses recommended in this agreement are not to be considered contractual; they reflect the current, appropriate sequencing of courses that will make the articulation most compatible. Students are advised to consult both SUNY Cobleskill’s and the College at Oneonta’s catalogs to check any modification or changes to program requirements.

5. This agreement will be monitored on a yearly basis by contact among the articulation coordinators and department chairpersons. Each institution assumes responsibility for making this a viable and workable agreement for interested students.
6. Each institution may carry out publication and marketing of this agreement. This can include, but is not limited to, printed material, websites, and inclusion in admissions material.

All students transferring to the College at Oneonta from SUNY Cobleskill under this agreement must:

- Be in good academic standing with SUNY Cobleskill.
- Have a minimum cumulative quality point average of 2.50.
- Have completed and been awarded the appropriate associate degree.
- Have followed the appropriate application process in applying to the College at Oneonta and must furnish a final transcript with their degree posted.
- Have earned grades of "D" or better in coursework to assure transferability when associate’s degree is earned.

Exceptions may be made on a case-by-case basis.

Once accepted into the College at Oneonta, students who are transferring into the BS program in Biology with an associate’s degree will under this agreement:

- Be given junior status.
- Be advised by their respective academic department as they pursue the successful completion of degree requirements. Upon acceptance, a transfer credit evaluation and advisement document outlining coursework to be completed will be available to the student.
- Students will be considered for all Transfer Scholarships available through the Office of Admissions without filing any additional paperwork.
- The College at Oneonta will extend every opportunity to help the student complete the baccalaureate degree in two additional years.

This agreement will come into effect on June 29, 2001 and both colleges will review and re-sign this agreement again by June 29, 2006. The course selection included in this articulation may be subject to change as new requirements are established for majors. Both institutions assume a good faith effort to continually update each college on any changes to programs and requirements. This is a joint effort on the part of both institutions to help transfer students maximize their transferability.

The primary contact person at the SUNY Cobleskill campus will be Anita D. Wright, Director of Transfer, Articulation and Career Development Services, State University of New York Cobleskill, NY 12043. (518) 255-5624.

The primary contact at the College at Oneonta will be Maureen Artale, Coordinator of Transfer Articulation, College at Oneonta, 102 Netzer Administration Building, Oneonta, NY 13820. (607) 436-3390.

| **16 ½sh**                                          |                                               |

Complete two of the following courses:
PHYS 111, PHYS 112, PHYS 211,
PHYS 212, MATH 125, COMP 130
Students following the above outline would have to complete the following coursework at Oneonta State College upon transfer:

- Oneonta General Education: 6sh
- BIOL 211 Intro Cell & Molecular: 3sh
- BIOL 212 General Genetics: 4sh
- BIOL 282 General Ecology: 4sh
- Major Electives: 12sh
- One 300 level Biology course (This may overlap with Major Elective): 3sh
- Complete one of the following options:
  - CHEM 221 and CHEM 322
  - CHEM 226 and CHEM 330
  - CHEM 221 and CHEM 330
  - CHEM 226 and CHEM 322: 8sh

**REQUIRED 40-43 SEMESTER HOURS+ ELECTIVE CREDIT TO REACH 122 MINIMUM CREDITS FOR GRADUATION**

**Fifth Semester**
- BIOL 212 General Genetics: 4sh
- Major Electives: 3sh
- Oneonta General Education: 3sh
- CHEM 221: 14sh

**Sixth Semester**
- BIOL 282 General Ecology: 4sh
- Major Electives: 3sh
- CHEM 322: 4sh
- 200 level Elective Credit: 3sh

**Seventh Semester**
- BIOL 211 Intro to Cell & Molecular: 3sh
- Major Electives: 3sh
- Elective Credit: 4sh
- 200 level Elective Credit: 3sh

**Eighth Semester**
- Major Electives: 3sh
- Elective Credit: 3sh
- Oneonta General Education: 3sh
- 200 level Elective Credit: 4sh

The previous schedule shows how the requirements for the BS in Biology may be met in eight semesters when transferring from SUNY Cobleskill with an Associates degree in Liberal Arts and Sciences: Science Concentration. This schedule is an example of one of many possible different schedules. It is included only as an illustration of the type of schedule that might be followed by a full time student. All students should consult their advisors when they plan their schedules at SUNY Cobleskill and then at Oneonta State College upon transfer.
