The College at Oneonta has made a strong commitment to help transfer students maximize their opportunities.

AGREEMENT

1. SUNY Cobleskill students who have graduated or who will graduate with an AA in Liberal Arts & Sciences: Social Science, who apply in a timely manner and meet the current admission criteria, will be admitted to the BS degree program in Sociology upon application as matriculated students with junior status at the College at Oneonta.

2. There is a 66-credit limit on the number of eligible transfer credit granted. Further information on the College at Oneonta’s transfer credit policy can be found on our website, www.oneonta.edu.

3. Students completing the course of study put forth will complete twelve of the twelve College at Oneonta General Education requirements.

4. The courses recommended in this agreement are not to be considered contractual; they reflect the current, appropriate sequencing of courses that will make the articulation most compatible. Students are advised to consult both SUNY Cobleskill’s and the College at Oneonta’s catalogs to check any modification or changes to program requirements.

5. This agreement will be monitored on a yearly basis by contact among the articulation coordinators and department chairpersons. Each institution assumes responsibility for making this a viable and workable agreement for interested students. Either institution, giving the other one-year written notice, may terminate this agreement.
6. Each institution may carry out publication and marketing of this agreement. This can include, but is not limited to, printed material, websites, and inclusion in admissions material.

- Be given junior status.
- Be advised by their respective academic department as they pursue the successful completion of degree requirements. Upon acceptance, a transfer credit evaluation and advisement document outlining coursework to be completed will be available to the student.
- Students will be considered for all Transfer Scholarships available through the Office of Admissions without filing any additional paperwork.
- The College at Oneonta will extend every opportunity to help the student complete the baccalaureate degree in two additional years.

The course selection included in this articulation may be subject to change as new requirements are established for majors.
