

Internships in NEW ZEALAND

The Office of International Education and CISabroad have partnered to offer SUNY Cobleskill students fall, spring, or summer internships in cosmopolitan Wellington, New Zealand!

Wellington is located on the southern tip of New Zealand's North Island. It's the political, business, and cultural capital of New Zealand, and is the southernmost capital city in the world. Excursions

Interns will participate in a number of activities around the city designed to get everyone out and about and exploring all that Wellington has to offer.

Students can intern in a wide variety of areas such as Agricultural Business Management, Animal Science, Business Administration, Information Technologies, Culinary Arts Management, Early Childhood Studies, Fisheries and Aquaculture, Wildlife Management, and Plant Science.
