PREEMPLOYMENT CERTIFICATION

All candidates interviewed for academic and administrative faculty positions must execute the following certification as a condition of being considered for employment. Failure to submit a timely certification when requested may result in disqualification from employment consideration.

Certification of Credentials & Qualifications

I certify that all application materials submitted for employment consideration (e.g., letter of interest, curriculum vitae or application, educational and employment records, publications, or work samples) are a true, accurate, and complete representation of my credentials and qualifications. I understand that degrees offered in support of my candidacy must be issued by an institution accredited by a regional, national, professional, or specialized accrediting body and that degrees issued outside the U.S. must be evaluated for equivalency to U.S. degrees.

Acknowledgement of Responsibility to Obtain/Maintain Eligibility to Work in the United States

I understand SUNY Cobleskill employs only individuals who are lawfully eligible to work in the United States and that employment eligibility will be verified upon employment. If I do not currently have permanent eligibility to work in the U.S., I understand that it is my responsibility to obtain and/or maintain eligibility to work and that loss of eligibility to work at any future date will invalidate my employment relationship and result in concurrent separation from employment without recourse or appeal.

Certification or Disclosure Pertaining to Criminal Convictions

I understand that in selected circumstances, convictions for a misdemeanor, gross misdemeanor, or felony related to the duties and responsibilities of a given position may influence consideration for employment. I certify that unless I have listed below a statement about the dates, charges, and circumstances of any such convictions, I have not been convicted of a misdemeanor, gross misdemeanor, or felony in any jurisdiction inside or outside the U.S.

Authorization to Verify Application Materials

I understand that any falsification, misrepresentation, or material omission in my application materials (including this certification) or making other false or fraudulent representations in securing employment may be grounds for disqualification of my candidacy or may be grounds for termination if discovered after the date of hire.

My signature below authorizes SUNY Cobleskill to verify all of my application materials including contacting listed references as well as validating educational and employment records, with the understanding that facsimiles or photocopies of this authorization shall be deemed as valid as the original. If submitted electronically, I acknowledge and agree that by typing my name on the signature line, I am authorizing and validating the statements above to the same degree as my original signature.

Application Process at SUNY Cobleskill

Cobleskill considers only those applications submitted for a specific posted position. Unsolicited resumes or application materials are discarded after 30 days. We do NOT maintain an applicant database, so applicants applying to multiple jobs must submit multiple applications at the time of the job posting.

Applications are reviewed by a position search committee which is exclusively responsible for determining applicant eligibility for an open position based on posted job requirements.

Applicants are typically contacted for a telephone interview first and finalists are invited to campus for in-person interviews which occur in a group setting. In addition to a traditional interview, academic applicants may be required to give a teaching demonstration in their area of application. Administrative applicants typically appear in an open forum setting to answer questions from the general college community.

Recruitment for open positions may begin months before the position actually becomes available. Applicants are strongly encouraged to contact Human Resources at (518) 255-5423 to check on the status of their application and to ensure that all application materials have been submitted.
