Add the amounts above and enter the total here . . . **3** \$

**Step 4

## Instructions

**Important information**

The 2021-2022 New York State budget was signed into law on April 19, 2021. Changes to New York State personal income tax have caused withholding tax changes for taxpayers with taxable income:

- more than \$2,155,350, and who are married filing jointly or a qualified widow(er);
- more than \$1,077,550, and who are single or married filing separately; or
- more than \$1,616,450, and who are head of household.

Accordingly, if you previously filed a Form IT-2104 and earn more than the amounts listed above, you should complete a new 2022 Form IT-2104 and give it to your employer.

**Changes effective for 2022**

Form IT-2104 has been revised for tax year 2022. The worksheet on page 4 and the charts beginning on page 5, used to compute withholding allowances or to enter an additional dollar amount on line(s) 3, 4, or 5, have been revised. If you previously filed a Form IT-2104 and used the worksheet or charts, you should complete a new 2022 Form IT-2104 and give it to your employer.

**Who should file this form**

This certificate, Form IT-2104, is completed by an employee and given to the employer to instruct the employer how much New York State (and New York City and Yonkers) tax to withhold from the employee's pay. The more allowances claimed, the lower the amount of tax withheld.

If the federal Form W-4 you most recently submitted to your employer was for tax year 2019 or earlier, and you did not file Form IT-2104, your employer may use the same number of allowances you claimed on your federal Form W-4. Due to differences in federal and New York State tax law, this may result in the wrong amount of tax withheld for New York State, New York City, and Yonkers.

For tax years 2020 or later, withholding allowances are no longer reported on federal Form W-4. Therefore, if you submit a federal Form W-4 to your employer for tax year 2020 or later, and you do not file Form IT-2104, your employer may use zero as your number of allowances. This may result in the wrong amount of tax withheld for New York State, New York City, and Yonkers.

Complete Form IT-2104 each year and file it with your employer if the number of allowances you may claim is different from federal Form W-4 or

### CANCELLATIONS

The agreement represented by this authorization will remain in effect until canceled by the employee, the financial institution, or the State agency. Employees should maintain accounts canceled and replaced by new accounts until the new transaction is complete. If canceled accounts are not temporarily maintained until the new account receives the employee's direct deposit transaction, employees may experience a delay in payments. The financial institution may cancel the agreement by providing the employee and the State agency with a written notice 30 days in advance of the cancellation date. The financial institution cannot cancel the authorization without notification to both the employee and the State agency. The State agency may cancel an employee's direct deposits when internal control policies would be compromised by this form of salary payment.
