

MEMORANDUM OF AGREEMENT

I. General Statement of Purpose

STATE UNIVERSITY OF NEW YORK COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL, (hereinafter referred to as SUNY Cobleskill), and INTER AMERICAN UNIVERSITY OF PUERTO RICO AT BARRANQUITAS, (hereinafter referred to as IAUPR-BC) enter into an agreement of cooperation to facilitate the admission of qualified SUNY Cobleskill Bachelor of Science in Biotechnology, Bachelor of Science in Fermentation Science, or Bachelor Technology in Plant Science degree recipients into IAUPR-BC Master of Science in Biotechnology. Students may chose a specialization in Industrial Biotechnology or Plant Biotechnology.

II. Requirements and Terms

- A. Hold a Bachelor's degree in Natural Sciences or in related areas with a minimum grade point index of 2.80.
- B. Have approved a minimum of three (3) credits in each one of the following areas:
 - Cellular-Molecular Biology or Biochemistry
 - Statistics
 - Calculus I
 - Analytical Chemistry
- C. Present two (2) letters of recommendation from the Faculty or the employer.

III. Benefits and Advantages

Admission to the Master of Science Program in Biotechnology with Specializations in Industrial Biotechnology and Biotechnology of Plants at IAUPR-BC, provides an outstanding opportunity to develop professionals that possess the knowledge, skills, attitudes and the social commitment, to make responsible contributions to the scientific development for our society and to the advancement of biotechnology.

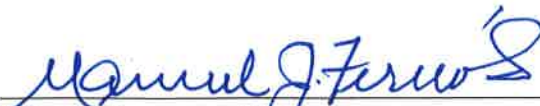

IV. Review and Revision of this Memorandum of Agreement

This agreement will be reviewed every three years in December, starting with the year of inception. In case that either institution desire to terminate this agreement, notification will be given to the other party, in writing, no less than six months to the posed date of termination. Students already enrolled in the Master in Science in Biotechnology at the time of termination will be allowed to complete their degree.
