SUMMER 2024

Design and Agricultural Marketing in

FRANCE

May 19th – 29th

ARTS/AGBU 299 or 399 – 3 Academic Credits

Immerse yourself in the beauty of Paris and Troyes, France, while discovering the dynamic intersection of design, agricultural marketing, and sustainable agricultural business practices. Join us in partnership with École Supérieure de Design for a transformative experience.

Trip Highlights:

- Cultural Experiences
- Case Studies in Design and Agriculture
- Field visits to Textile, Champagne, Industrial and Agricultural Innovation Industries and Businesses
- Embrace Sustainable Agribusiness Design
- Welcome and Farewell Dinners with our host institution

Participating Faculty: Margrethe Lauber and Mahla Zare
