

Internships in AUSTRALIA

The Office of International Education and CISabroad have partnered to offer SUNY Cobleskill students fall, spring, or summer internships in bustling Melbourne or Sydney, Australia!

Location

Sydney is a bustling cosmopolitan city that gives the best combination of culture, history, and scenic landscapes. Melbourne is smaller than Sydney, but no less enticing! It's one of the centers of art, fashion, education, culture, entertainment, delicious cuisine, and shopping in Australia.

Housing

Participants in Sydney will live in self-catered shared residences with other students and interns from around the world. In Melbourne, interns have the opportunity to experience true Australian life by living in a homestay!

Excursions

In addition to on-the-job learning, excursions within the city are available and interns can partake in optional trips to places such as Hunter Valley, the Blue Mountains, Canberra, surf excursions, whale watching, dolphin watching, and more.

"My experience in Australia was absolutely incredible. Not only did I have the opportunity to expand my horizons in a professional world, but I was also able to experience life in another country—far beyond just its culture. All of the people and places I have come to know will forever be a memory in my heart."

Ashley E, Intern in Australia

Internship Placements

Students can intern in a wide variety of areas such as Agricultural Equipment Technology, Business Administration, Early Childhood Studies, Information Technology, Culinary Arts Management, Environmental and Energy Technologies.

Deadline

Applications are accepted on a rolling basis, but candidates must apply at least 90 days before their intended internship start date.

Cost

The cost of this program can be found [here](#). The program fee includes internship placement and supervision, on-site orientation and activities, housing, SUNY Cobleskill tuition/fees, and medical insurance. This fee does not include international airfare, meals, and spending money but estimates are provided.
