

# Internships in MEXICO

**The Office of International Education and CISabroad have partnered to offer SUNY Cobleskill students fall, spring, or summer internships in picturesque Cuernavaca, Mexico!**

## Location

Only an hour from Mexico City, Cuernavaca provides a much more laid-back environment than the capital city. It combines a colonial past with lots of modern attractions for its lively young community. Participants enjoy walking along the safe cobblestone streets to visit authentic handcraft markets, local restaurants, bars, museums, and more!

## Housing

Participants will live with local Mexican families. This housing option provides participants with two meals a day. Housing is located across Cuernavaca, only a short distance from each internship placement.

## Excursions

Participants have the chance to take some daytrips to places like Mexico City, Teotihuacan, and Xochicalco to see what the rest of Mexico has to offer.

***"The onsite director and director in the US could not have been more supportive or knowledgeable. My host family was absolutely incredible, and I became part of the family. I learned so much, saw so much, grew so much and can't wait to go back."***

*Kellie G, Intern in Mexico*
