

## SUNY Cobleskill Financial Aid – Student Authorization Form

Important – please return this form -

Federal regulations require the College to obtain authorization from student/parent recipients of Title IV grants and loans in order to properly disburse these funds. Federal Title IV aid includes Subsidized, Unsubsidized, Parent PLUS and Perkins loans and PELL and SEOG grants. Federal financial aid is for “institutional charges”, such as tuition and fees, campus room and meals and course related fees. Unless authorization is received, federal financial aid cannot be used to cover non-institutional charges such as: books and supplies, add/drop, late, returned check and payment plan fees, parking and library fines. We appreciate your cooperation as we comply with this federal requirement.

By having your signed authorization we can apply your federal financial aid to your non-institutional charges. The authorization will remain in effect until you submit a written request to cancel it.

I authorize SUNY Cobleskill to use any federal aid items to pay all charges including non-institutional charges. Non-institutional charges are items other than tuition, fees, room and meal plan and may include bookstore credit, library and parking fines, late and add/drop fees.

If you do not authorize SUNY Cobleskill to pay non-institutional charges with federal financial aid, you are ultimately responsible for payment of those charges. We will bill you; holds and appropriate late fees will apply.
