

## RESOLUTION 4

**TO: Student Government Association Senate**

**FROM: VICE PRESIDENT ASHLEY REINOSO**

**SPONSOR: Senators Adam Meyer, Angela Armstrong and Brittany VanDuzer**

**DATE: 4/15/2020**

**SUBJECT: STUDENT ACTIVITY FEE REFUND**

**ACTION REQUESTED** That the Student Government Association Senate vote to issue a \$15 Student Activity Refund to all Full-time students.

### **RESOLUTION**

I recommend that the Student Government Association adopt the following resolution:

**Whereas**, SUNY Cobleskill only has about two weeks left of programming. This does not allow enough time to justify the amount of budget to hold

**Whereas**, Many students do not have access to full time internet and would not be able to participate in online programming. If they do have internet, that needs to be used for academics first

**Whereas**, SUNY Administration gifted SUNY Cobleskill with 90 laptops to give to students of need

**Whereas**, 90% of clubs are pausing for the remainder of the semester and summer – continuing in the fall

**Whereas**, Student Activity Refund would primarily consist of the club budgets and club budgets cannot roll over into Fall Semester

**Whereas**, Students have asked and advocated for a Student Activity Refund from the Student Government Association

**Whereas**, A majority of SUNYS are issuing a Student Activity Fee Refund

**Whereas**, SGA would still have about \$40,000 in the budget to support students through programming and resources.

**So Be It Resolved**, that the Student Government Association Senate vote to issue a \$15 Student Activity Fee Refund to all SUNY Cobleskill Full Time students.
